To whom it may concern

Re: New Premier Inn Hotel, OPUS 40 Business Park, Warwick, Warwickshire
(122 Bedrooms and Restaurant)

We would confirm that we employed A&P Carpentry Contractors Limited (Andy Irving) on the above new Premier Inn Hotel project under a Carpentry and Joinery Subcontract.

The works carried out were well managed, professionally carried out and handed over to a good standard and quality, on programme.

This project was successfully completed for our Client and we would confidently recommend A&P Carpentry Contractors Limited as a solid and reliable company.

Yours faithfully

Andy Springett
Senior Contracts Manager
